

Are you  
ready to  
unleash the  
fullness of  
your  
potential?

## Into Your Genius

*Go beyond the five senses to unlock the the hidden powers within - your Infinite nature.*

Duration: 6 weeks (1 hr sessions)

You are far more powerful than you ever imagined, and far greater than any circumstance in your life. Few people learn how to unleash their full potential and live into their genius. This program teaches you how.

You will discover and learn to activate your six mental faculties, which allow you to bring what you desire into existence without a lot of "hard work." You'll experience greater clarity, make decisions with more speed and accuracy, gravitate toward a healthier lifestyle, and improve your relationships as you live an abundant life.

Learn to stop misusing your power and start leveraging your six mental faculties in your everyday life.

### The Six Mental Faculties:

- **Imagination** - create a vision for the life you want
- **Intuition** - connect with your inner guidance
- **Will** - direct your focus toward what you want
- **Memory** - take a quantum leap toward your desires
- **Reason** - uncover the secret of doing more with less
- **Perception** - turn road blocks into launching pads

*Enjoy a front-row-seat experience via Zoom, in a small-group setting. Materials included.*
