

# *Into Your* **GENIUS**™

Unlocking the Six Powers of the Mind

**Do you long for positive change in your life, but can't seem to break free from your current circumstance?**

***If you are ready to unlock the hidden power within, Into Your Genius is for you!***

Discover how to “activate” the 6 extraordinary gifts you were born with and learn how to use them to create a life you truly love living.

Few people learn how to access and activate this power. You are far more powerful than you ever dreamed possible, and you are far greater than your circumstances.

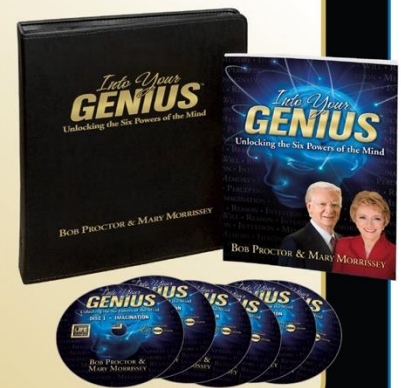

This program will teach you how to stop misusing your power and create a life that you would truly love by activating your 6 mental faculties that allow you to bring what you desire into existence without a lot of “hard work,” regardless of what is going on around you.

When you discover how to activate these 6 mental faculties, your life begins to take on a whole new dimension:

- Experience greater clarity and confidence
- Make decisions with greater speed and accuracy
- Effortlessly gravitate toward a healthier lifestyle
- Abundance flows through your life naturally
- Experience deeper, more meaningful relationships

This 6-week audio program will introduce a step-by-step system designed to help you activate your gifts quickly and easily.

- **Imagination** – harness your Imagination in ways that will advance you toward your goals.
- **Intuition** – properly connect to your internal guidance system to be clear about what direction you should move in your life.
- **Will** – learn how to stay focused on what you would love instead of thinking about what you DON'T want.
- **Memory** – consciously develop your memory and take a quantum leap toward what you desire.
- **Reason** – uncover the secret to working smarter, not harder and accomplishing more in less time with fewer resources.
- **Perception** – discover the power to turn the most overwhelming challenges into insignificant road bumps as you move toward living a life you love.

**Invest In YOU!**
